**Episodes #31**

- Rival Tides Collide

**Scripts:**

**Narrator:** After a turbulent ferry ride and an unexpected ocean adventure, Ash and his friends finally arrive at the shining port of Olivine City, with Ty newly strengthened by his victory at sea and his newest partner as he awaits for his gym battle.
**Ash and his friends have exited the ferry, and approaches to the dock**

**Ash:** Ahh…solid ground again!

**Pikachu:** Pika.

**Ty:** Man, that ferry ride got intense.

**Teddiursa:** Teddiursa.

**May:** I'm just glad everyone's okay. That Huntail incident could've gone really bad.

**Manaphy:** Mana.

**Dawn:** **Smile** But we handled it! And now we're back to Olivine City!

**Avery:** I don't think I ever wanna see another shaky ferry again.

**Raye:** But at least we made it here.

**Ty:** That's our second time to come here, and I'm determined to have my next gym badge from Jasmine.

**Max:** And you've got Gyarados now! I still can't believe you caught one during our ferry trip.

**Ty:** Heh… I'm still wrapping my head around it too.

**Dawn:** Since we can for your gym battle, let's hit the Pokémon Center first. After everything on that ferry, our Pokémon earned a rest.

**Raye:** Yeah, my Plusle is really tired after the ferry crisis. I bet your Minun needs some rest too, Jonah.

**Jonah:** **Smile** I was going to tell you that, but thanks.

**Sarah:** My Girafarig needs to rest, I bet she's tired right now.

**Avery:** And I'll train Wooper as well, it was a rough day.

**Dawn:** Your pokemons will be fine, despite that they didn't battle.

**Avery:** Yeah, of course.

**Lillie:** We should rest now before Ty's battle.

**Sakura:** **Smile** And I can see that Ty is firing up for his match.

**Ty:** Haha, thanks, Sakura, in the meantime, let's head to the pokemon center.

**Teddiursa:** Ursa.
**The gang decided to take a break at the pokemon center before Ty's gym battle against Jasmine**

**(Pokemon Master Revolution Theme Song Plays:)**
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all

**Sakura (Narrator):** Rival Tides Collide!
**Inside the pokemon center, the gang were taking a break while Ty takes his pokemon to the counter to Nurse Joy**

**Ty:** Nurse Joy, I would like to heal my pokemons, they need to rest.

**Nurse Joy:** Sure thing, Ty. **Smile** Ohh, you got your new pokemon with you, did you catch it?

**Ty:** Yes. I caught Gyarados. That was the pokemon that I've been wanting.

**Nurse Joy:** That's good. Your pokemon will be healed before you know it.

**Ty:** **Nodded**
**While waiting for his pokemon to be healed, the gang were chatting and eating their meal**

**Ty:** Ahh, it's good to be eating lunch right now before my battle.

**Max:** But, Ty, do you think Gyarados can help you beat Jasmine? She's using her steel type pokemon that Ash mentioned.

**Ty:**
Well, Steel-types can be a bit difficult. But I'll figure out a way.

**May:** Gyarados is super strong, though! And you've trained it so well. Maybe you can use its power to break through her defenses?

**Ash:** Jasmine's no pushover, trust me. Her Steel-types are really tough since I faced her during my journey. But Ty battled all kinds of opponents. He'll figure something out.

**Dawn:** Yeah, but still… Steel-types don't go down easily. You're gonna need more than just raw power.

**Raye:** Yeah. Steel Pokémon have some clear weaknesses. Anything like that in your lineup?

**Ty:** I've got a couple tricks. Gyarados may not look like it, but it's got more versatility than most people expect.

**Lillie:** Jasmine also cares a lot about her Pokémon. She battles with a really calm, focused style.

**Sakura:** So you'll have to stay calm too, right? No charging in without thinking!

**Jonah:** He does that a lot.

**Ty:** Hey! I think before I charge! …Most of the time.

**Sarah:** **laughs** Well, we'll all be cheering for you no matter what.

**Avery:** And once your Pokémon are healed, you can squeeze in a little training if you need it.

**Ty:** Thanks for the advice, guys. But I'll find a way.
**As they are chatting, Nurse Joy approaches Ty**

**Nurse Joy:** Your Pokémon are fully healed, Ty.

**Teddiursa:** Teddiursa.

**Ty:** Hey buddy. Are you feeling better now?

**Teddiursa:** Ursa.

**Ty:** **Smile** Hehehe. Perfect timing! Looks like it's almost showtime.
**After Ty's pokemon are fully healed, they exited the pokemon center as they feel air breeze outside**

**May:** Ahh, it's fresh outside.

**Lillie:** I can feel it.

**Sakura:** So, Ty. Your ready for your gym battle?

**Ty:** **Excited** I'm always ready. Jasmine, leader of Olivine gym, here I come!

**Teddiursa:** **Excited** Teddiursa!
**As Ty is ready for his battle, two unfamiliar trainers appeared in front of them, Victor and Demi**

**Victor:** Tsk. Well, look who's finally crawled out the pokemon center.

**Ash & his friends:** Hm?

**Victor:** Hmph.

**Ash:** Great. It's these two.

**Pikachu:** Pika.

**Ty:** **Crossing his arms, unfazed** Not you two again.

**Teddiursa:** Ursa.

**Demi:** Well, I didn't expect to see you here, especially you, Raye.

**Raye:** Don't even judge me.

**Sarah:** What do you want this time?

**Victor:** I wasn't talking to you, but thanks for asking. Ty, you should've stayed in Cianwood after losing to me. Would've saved you the embarrassment. But no, here you are, pretending like you belong in Olivine.

**May:** Hey! Ty earned his badge fair and square!

**Ty:** Exactly. I've got five badges now. I'm moving forward, with or without your approval.

**Victor:** **Smirk** Forward, huh? Then I guess this'll really sting.
**He flips open a case, revealing a fresh, gleaming Mineral Badge, much to the gang's surprised**

**Ash & his friends:** **Surprised**

**Pikachu, Teddiursa & Manaphy:** **Surprised**

**Ash:** Are you kidding me?

**Lillie:** No way! You already beat Jasmine?! That's not fair! Ty hasn't even had his match yet!

**Victor:** What can I say? She recognizes real talent when she sees it.

**Dawn:** Or maybe you just rushed in the second the Gym opened.

**Demi:** It's called being prepared. You guys should try it sometime.

**Raye:** I don't think I see you prepared since I defeated you last time.

**Demi:** **Mad** Well I'm prepared now! Don't even think of asking that I lost you last time!
**While the bickering continues, a silent storm brews on the side, Raye and Demi lock eyes at each other**

**Avery:** **Sweat drop** There goes their staring competition.

**Sarah:** Yeah.

**Raye:** And you're following Victor around like a lonely companion.

**Demi:** Better than hanging out with a loser like you who gets lucky with captures.

**Jonah:** Actually, It wasn't luck. We worked for them. Besides, Raye and I caught our new pokemon for our team.

**Demi:** What?

**Raye:** He's right. Watch. Come on out, Plusle.

**Jonah:** You too, Minun.
**Raye and Jonah pulled their pokeball, sending Plusle and Minun together**

**Plusle:** Plu!

**Minun:** Min!

**Victor & Demi:** Huh?

**Jonah:** They're part of our team now.

**Raye:** So, Demi. What do you think?
**Demi's expression freezes, then tightens with a mix of envy and irritation**

**Demi:** **Crosses her arm** Oh, wonderful… matching Pokémon. How cute. Why would you even want Pokémon like those?

**Raye:** Maybe because they're great partners. And maybe because you don't have one.
**Demi clenches her jaw. The gang and Victor notices her jealousy**

**Max:** Oh well…there goes her anger management–

**May:** **Glaring at Max** Maaax.

**Max:** **Smiles nervously** Hehehe, sorry.

**Victor:** Anyway—try not to embarrass yourself against Jasmine. I'd hate for Olivine to think all challengers are as weak as you were in Cianwood.

**Ty:** We'll see who's weak when the next battle comes around.

**Teddiursa:** Teddiursa.
**As their rivalry continues, Jasmine and Janina appears in front of them**

**Jasmine:** **Warm smile** Oh! Everyone—welcome back!

**Ash & his friends:** Huh?

**Janina:** **Warm smile** Hi again! Glad to see you all!

**Ash:** Hey, Jasmine! Nice to see you again.

**Pikachu:** Pika Pika.

**Jasmine:** How was your trip to Cianwood City everyone?

**Lillie:** We had a great time together.

**Max:** And we met the gym leader, Chuck! He was so cool!

**Jonah:** And we caught our new pokemon for our team.

**Ty, Raye, Sarah & Avery:** So do we!

**Jasmine:** That's wonderful. And you received your gym badge, Ty?

**Ty:** I have it right here. I got my fifth badge, thanks to my pokemon strategies.

**Janina:** **Smile** So that means you're ready to face my mentor?

**Ty:** Yeah—because I'm ready. I'm here to challenge you to a Gym battle!

**Teddiursa:** Ursa!
**Jasmine nods, but before she can speak, Victor interrupts them**

**Victor:** **Smug grin** Wait just a moment.

**Jasmine:** Oh?

**Ty & Teddiursa:** **Surprised**

**Victor:** A Gym battle? With her? You lost to me in Cianwood, Ty. Skipping straight to Jasmine already? Giving up on beating me first?
**The gang looks annoyed at Victor's insult**

**May:** Victor, that's not what happened. Ty has won his gym battle and he never gives up!

**Ash:** That's right. He's always ready despite the fact that he lost.

**Pikachu:** Pika.

**Ty:** Actually, yeah, that isn't what happened. And I'm not giving up on anything.

**Victor:** Then what are you doing?

**Ty:** Choosing what comes first. **Pointing at Victor** A rematch—with you.
**Victor freezes for a moment, then laughs sharply**

**Victor:** **Laughing** A rematch? Hah! Why would I bother? You haven't changed.

**Ty:** That’s where you’re wrong. I have changed.

**Victor:** Well, if you thought that my pokemon is capable of, you would've thought twice about it and you're acting like a loser.

**Ty:** Oh yeah!? When you and I first met, you were being a bully for saying who's getting a better pokemon. Do you know why?
**He reaches for a Poké Ball at his belt**

**Ty:** And I’ve got a new partner now.

**Teddiursa:** Teddiursa.

**Demi:** New partner? You? Since when?

**Dawn:** Since Cianwood. You didn’t know because you didn’t bother to pay attention.

**Victor:** **Mocking** Ha!…what Pokémon?

**Ty:** You’ll see in the battle. But I’ll tell you this—
**His eyes sharpen with determination**

**Ty:** I’ve improved. A lot. And I’m done letting you treat me like I’m nothing.

**Teddiursa:** Ursa!

**Ash:** And he's got a point. He won't back down!

**Pikachu:** Pika Pika!
**Ash and his friends nod proudly at Ty’s courage, while Victor wasn't impressed at it**

**Victor:** Heh… big words.
**He steps closer with Ty as he grins at him**

**Victor:** Fine. I accept your rematch.

**Ty:** Deal!

**Demi:** Victor, are you sure? You don’t even know—

**Victor:** It won’t matter. But hear me, Ty—don’t you dare get in my way again. You’re just a stepping stone.

**Ty:** If I’m a stepping stone, then I’ll be the one you trip on.
**The two rivals stare each other down, tension crackling like electricity**

**Sarah:** Um…should we…maybe give you some space?

**Ash:** Don’t worry, Sarah. This is just how rivalries go.

**Sarah:** But Ty looks serious. Really serious.

**Ty:** That’s because I’m ready. This time, I’m fighting to show how far I’ve come.

**Victor:** Fine. Bring it. I’ll defeat you just like before.

**Jasmine:** In that case, the pokemon match between Ty and Victor starts today. Follow me, everyone.
**The practice field behind the Pokémon Center buzzed with excitement. Trainers gathered along the white boundary lines, sunlight glinting off the metal bleachers. Janina stepped into the center, raising a green flag**

**Janina:** This is a one-on-one battle between Trainer Ty Masterum and Trainer Victor! Both sides. Ready?
**Ty rolled his shoulders, taking a steady breath.*
*Victor smirked confidently, arms crossed while the gang, Demi and Jasmine stood together, ready to watch**

**May:** Ty trained really hard for this. He deserves a rematch win after last time.

**Max:** Yeah! Teddiursa looks way tougher now.

**Sarah:** Let's just hope that he doesn't lose again.

**Dawn:** He'll win today, Sarah.

**Raye:** Victor's strong... but Ty's improved a ton.

**Demi:** You're all dreaming. Victor beat him before, and he'll beat him again. Snubbull's got this.

**Raye:** We'll see! Battles can turn around fast.

**Demi:** Whatever.

**Jasmine:** Let's see how far Ty's come...
**Ty and Victor were ready as the battle started**

**Janina:** Begin the battle!

**Ty:** You're up, buddy! Go get'em!

**Teddiursa:** Teddiursa!

**Victor:** Snubbull, go for it!

**Snubbull:** Snubbull!

**Ty:** Teddiursa, Fury Swipes!

**Teddiursa:** Ursa! Ursa!
**Teddiursa sprang in, claws glowing white as he slashed forward**

**Victor:** Snubbull, dodge his attack quickly!

**Snubbull:** Snub!
**But Snubbull ducked under the first swipe, sidestepped the second, then makes it move under Victor's call**

**Teddiursa:** Ursa?

**Victor:** Now counter it with Bite!

**Snubbull:** Snubbull!

**Teddiursa:** **Being hit**
**Snubbull's fangs glowed dark, crunching and striking Teddiursa**

**Ash & his friends:** **Amazed**

**Jonah:** He was so close.
**Teddiursa staggered back, shaking off the impact**

**Ty:** Hang in there, buddy.

**Teddiursa:** Ursa.

**Victor:** Hah, your pokemon will be scared in any seconds. Snubbull, Fire Fang!

**Snubbull:** Snub! Snub!
**Flames curled around Snubbull's teeth as he lunged towards**

**Lillie:** That could be dangerous for Teddiursa!

**Demi:** Ha! Told you, Victor's already winning!

**Raye:** Hmph!

**Snubbull:** Snub!

**Ty:** Teddiursa, charge at Snubbull with your Payback!

**Teddiursa:** Teddiursa! Ursa!

**Snubbull:** **Being hit**
**Teddiursa absorbed the momentum, his body glowing with dark energy. He slammed into Snubbull, sending the Fairy-type skidding backward**

**Sakura:** All right!

**Ash:** Nice one, Ty!

**Pikachu:** Pika Pika.

**Jasmine:** Impressive. Teddiursa's timing is excellent.

**Victor:** Come on, Snubbull! Get up and fight!

**Snubbull:** Snubbull.

**Ty:** All right, let's do this again, Teddiursa, payback!

**Teddiursa:** Teddiursa!
**Teddiursa charged forward once more with his same attack, but Snubbull avoids it after Victor's call**

**Victor:** Dodge it, Snubbull!

**Snubbull:** Snub!
**Snubbull sidestepped at the last second, growling confidently**

**Ty:** Ngh!

**Teddiursa:** Ursa!

**Victor:** Now, fire fang!

**Snubbull:** Snubbull!
**Snubbull lunged with blazing jaws at Teddiursa**

**Ty:** Teddiursa—dodge!

**Teddiursa:** Ursa!

**Snubbull:** Snub!?

**Victor:** What!?

**Demi:** Huh!?
**Teddiursa hopped back with surprising agility**

**Max:** **Amazed** He avoided it!

**Ty:** Now buddy, fury swipes!
**Teddiursa darted in, claws flashing three times. Snubbull stumbled, overwhelmed, then collapsed onto the field, Snubbull fainted**

**Snubbull:** **Fainted** Snub...bull.

**Janina:** Snubbull is unable to battle! Teddiursa wins!

**Ty:** Yes!

**Teddiursa:** Teddiursa!

**Dawn:** He did it!

**Avery:** That Payback combo was incredible!

**Sakura:** Teddiursa worked so hard.

**Jasmine:** He’s improving fast. Very fast.

**Demi:** **Frown** That is not fair.

**Ty:** That was awesome, Teddiursa.

**Teddiursa:** **Happy** Teddiursa!

**Victor:** Hmph.
**Victor was upset that his Snubbull lost, he didn’t waste a second after recalling Snubbull. He pulled out his next Poké Ball with a confident smirk, preparing to send Croconaw**

**Victor:** You already know who’s next. Croconaw—let’s finish this!

**Croconaw (Victor's):** Croc!

**Avery:** It's Croconaw. The one who defeated Ty last time.

**Dawn:** He better lose again, Victor’s Croconaw can defeat him easily like he did.

**Ty:** Hmm..
**Ty inhaled sharply. The same Pokémon that defeated him before. Instead, Ty made up his mind**

**Ty:** Hey buddy.

**Teddiursa:** Ursa?

**Ty:** Good work out there today. Why don't you take a break? I'll switch to my next pokemon.

**Teddiursa:** Ursa.
**Teddiursa nodded and he takes a break, sitting with the gang**

**May:** What's going on? He's not using Teddiursa?

**Ash:** No. He's using another pokemon to send.

**Lillie:** Probably, Gyarados.

**Victor:** **Smirk** So, loser. Which pokemon are you sending this time? Is it a new one that you mentioned?

**Ty:** Not just yet.
**He switched Poké Balls, eyes blazing with determination**

**Ty:** Alright... let's run it back. Croconaw—let's go!

**Croconaw (Ty's):** Croconaw!
**Ty's own Croconaw appeared with a fierce cry, facing his rival head-on**

**Max:** This is the rematch Ty's been waiting for!

**May:** Beating Victor's Croconaw is going to take everything he's got...

**Manaphy:** Mana!

**Dawn:** But he didn't send Gyarados yet?

**Raye:** Not yet. It could take a while.

**Demi:** "Victor won last time, and he'll do it again. Ty doesn't stand a chance.

**Raye:** **Ignoring** Don't be so sure. Ty's Croconaw's stronger now. He's winning today.

**Demi:** "Wh—he is not! Stop saying that!"

**Raye:** **Smirk** Jealous already?
**Demi puffed her cheeks, fuming at Raye's unexpected insult as the battle between two Croconaw started**

**Janina:** The battle between two Croconaw of Ty and Victor! Start!

**Victor:** All right then! Croconaw! Water Gun!

**Croconaw (Victor's):** Croconaw!

**Ty:** Dodge the attack, Croconaw!

**Croconaw (Ty's):** Croc!
**Victor's Croconaw blasted a powerful stream of water across the field, but Ty's Croconaw leaped sideways, landing in a crouch**

**Ash:** **Amazed** Whoaaa, that's it!

**Pikachu:** Pika Pika!

**Dawn:** Great dodge!

**Teddiursa:** Ursa!

**Demi:** H-hey! That was cheap!

**Dawn:** It's a battle, Demi. Dodging helps you win.

**Demi:** I know that!
**Two Croconaw continue to battle at each other**

**Ty:** Croconaw, Ice Fang now!

**Croconaw (Ty's):** Croc!

**Croconaw (Victor's):** *Being hit*
*Ty's Croconaw charged in, icy mist swirling around his jaws. Taking a hit, Victor's Croconaw barely twisted away before the freezing bite could connect*

**Croconaw (Victor's):** Croc!

**Victor:** Easy there!

**Ty:** How do you like it? Happy about my Croconaw?

**Victor:** *Smirk* Heh. Nice try, Ty. But allow me to show you to show his new move that your going to like it more. Croconaw, Thrash!

**Croconaw (Victor's):** Croconaw!

**Croconaw (Ty's):** *Being hit*
*The gang gasped as Victor's Croconaw suddenly went wild, eyes glowing. He spun, slammed, and barreled into Ty's Croconaw with a violent flurry of strikes*

**Ash & his friends:** *Surprised*

**Pikachu, Teddiursa & Manaphy:** *Surprised*

**Sarah:** What was that move?

**Ash:** He learned Thrash!

**Pikachu:** Pika.

**Teddiursa:** Ursa.

**Jonah:** What? Since when did he learn that!?

**Ty:** "What—?! He didn't know that last time!"

**Victor:** He learned it after defeating after Jasmine. And he's been training harder than you think.

**Croconaw (Victor's):** Croc! Croc!

**Croconaw (Ty's):** Croc!

**Ty:** Don't let him push you around! Croconaw, ice fang again!

**Croconaw (Ty's):** Croconaw!
*Ty's Croconaw lunged once more, icy jaws snapping*

**Victor:** Croconaw, dodge his attack and strike him with thrash!
Despite using ice fang again  Victor's Croconaw, still empowered by Thrash, stumbled unpredictably to the side, dodging the attack entirely, countering with the same move
hitting Ty's Croconaw with another rampaging blow.

**Ty:** *Surprised*

**Ash & his friends:** *Surprised*

**Pikachu, Teddiursa & Manaphy:** *Surprised*
*Victor's Croconaw roared, swinging wildly in his Thrash-induced frenzy, and one final hit sent Ty's Croconaw crashing backward, tumbling into the dirt. He didn't get back up, he fainted*

**Janina:** Ty’s Croconaw is unable to battle! Victor's Croconaw wins!

**Victor:** **Smirk** Hmph! Piece of cake!

**Croconaw (Victor's):** Croc!
**Ty kneeled beside his Croconaw, helping him sit up**

**Ty:** You fought hard. I’m proud of you.

**Croconaw (Ty's):** Croc…croc.

**Victor:** Looks like history repeats itself.
**The gang was a bit disappointed at Victor's Croconaw of defeating Ty's pokemon**

**May:** That Thrash is too strong…

**Sakura:** Croconaw can’t get a clean hit.

**Demi:** See? SEE? I told you Victor would crush him!

**Raye:** **Rolling her eyes in disbelief**

**Jonah:** Ty put up an amazing fight. He really closed the gap.

**Jasmine:** He’s growing fast. With just a bit more experience… he’ll surpass today’s battle.
**Ty looked up at Victor, determination burning brighter than before since he has one pokemon with him left**
*The field went silent as Ty recalled his Croconaw back to his pokeball, Victor tapped his foot impatiently**

**Victor:** Well? What’s the holdup? Don’t tell me you’re too scared to send Teddiursa back out. Or is he too tired already?

**Teddiursa:** **Frowned** Ursa.

**Dawn:** Take it easy, Teddiursa.
**Ty closed his eyes briefly, steadying himself.*
*Then he looked up, calm and focused**

**Ty:** Let's make this clear, Victor. I’m not scared. I just have a new partner that I mentioned you for this.

**Victor:** Really? Well it's about time. So what is it?
**He grabbed another Poké Ball from his belt**

**Ty:** And this time, I wont lose. Gyarados—let’s finish this!
**A massive splash of blue light erupted as Gyarados materialized, towering over the field with a thunderous roar**

**Gyarados:** **Roaring**

**Victor:** **Shocked** H-HUH!?

**Croconaw (Victor's):** **Shocked** Croc!?

**Demi:** **Shocked** WHAT!?
**Victor and Demi were shocked at Ty's new pokemon while Ash's team looks in happy and* Jasmine watched, eyes shining with pride.

**Ty:** What's wrong? Your scared now?

**Victor:** **Still shocked**

**Janina:** Final round—begin!

**Croconaw (Victor's):** **Scared** Croc.
**Victor's Croconaw stepped back instinctively, intimidated by the sea-serpent looming above him—but quickly forced himself forward, growling**

**Victor:** Don't let size scare you! Counter it with ice fang!

**Croconaw (Victor's):** Croc!!
**Croconaw charged, icy breath swirling around his jaws as he leapt up toward Gyarados' face**

**Ty:** Gyarados—dodge it!

**Gyarados:** **Roaring**
**Gyarados twisted his enormous body with surprising speed, the ice-coated fangs snapping at empty air**

**Croconaw (Victor's):** Croc!?

**Victor:** What now!?

**Ash:** All right, he dodged it!

**Teddiursa:** Teddiursa!

**Pikachu:** Pika!

**Avery:** That's incredible!"

**Demi:** NO! He wasn't supposed to do that!

**Dawn:** Oh yes he can.

**Demi:** **Growled in frustration**

**Victor:** Not fair! No way that Gyarados can't dodge my attack!

**Ty:** Save it. Don't even underestimate my pokemon since I caught him.

**Victor:** What!?

**Ty:** Now then. Time to obtain my revenge. Gyarados—Aqua Tail now!

**Gyarados:** **Roaring**
**Gyarados roared, water spiraling around his massive tail before he swung it downward like a tidal wave**

**Croconaw (Victor's):** **Being hit**
**The impact sent Croconaw flying backward, rolling across the dirt, Croconaw didn't get up as he fainted**

**Croconaw (Victor's):** **Fainted** Croc…

**Victor & Demi:** **Shocked** Oh no!!

**Janina:** Croconaw is unable to battle! Gyarados wins! And the winner of this battle goes to Ty of New Bark Town

**Ash & his friends:** **Cheering**

**Pikachu, Teddiursa & Manaphy:** **Happy**

**Ash:** Ty did it!

**Jonah:** He actually won the rematch!

**May:** I knew he could!

**Max:** That was AMAZING!

**Raye:** What a comeback!

**Raye:** That's my guy right there!

**Sarah:** Way to go, cousin!

**Demi:** **Disbelief** But… but Victor never loses the rematch…
**Victor gripped Croconaw's Poké Ball tightly, stunned and frustrated while Jasmine stepped forward, smiling warmly at Ty while the gang joins in**

**Jasmine:** Ty… that was extraordinary. Your bond with your Pokémon is growing beautifully.

**Ty:** Thanks, Jasmine. That's why I love my team here.

**Teddiursa:** **Happy** Teddiursa!

**Ty:** **Happy and hugging Teddiursa** Hahahaha. We won, buddy.
**Ty exhaled in relief, placing a hand on Gyarados' snout**

**Gyarados:** **Growling happily**

**Ty:** Thanks, Gyarados. We really did it. And you were awesome.

**Gyarados:** **Growling happily**
**Victor recalled his fainted Croconaw, jaw tight, eyes narrowed with frustration. He looked at Ty for a long moment**

**Victor:** …Tch. Don't get the wrong idea. I'm still not happy about losing. But… you've grown. A lot. Next time… I'm taking you down for sure. And I'll have my revenge. Mark my word.

**Ty:** Then I'll be ready for that rematch.
**Victor turned sharply, heading toward the road out of the city with Demi**

**Victor:** Let's go, Demi. We moving out.

**Demi:** Yeah, sure.
**Demi planted her hands on her hips, shooting a fiery glare at Raye**

**Demi:** Don't think this is over! Next time, you and I are battling again! And I'm the one winning this time.

**Raye:** **Unbothered** Sounds fun. I'll be waiting.
**Demi puffed her cheeks as she hurried after Victor**

**Raye:** Good riddance.

**Lillie:** Well, we don't have to worry about her.

**Jasmine:** Before anything else…come, I want you all to visit the lighthouse. I'll introduce you to Sparkle.

**Ash:** Awesome.

**Sarah:** That will be lovely.

**Pikachu:** Pika Pika.

**Avery:** Um, who's Sparkle?

**Ash:** You'll see.
**Ash and his friends followed Jasmine up the winding staircase of the lighthouse**

**Max:** So Sparkle lives at the top of the lighthouse?

**Jasmine:** Yes. Since Ash already met it before. Sakura as well.

**May:** Really?

**Sakura:** Yeah, I met it during my journey.
**At the top, familiar light washed over them. Sparkle, Jasmine's Ampharos**

**Jasmine:** We're here.

**Sparkle:** Amphaa!

**Jonah:** "Whoa! So that's Sparkle.

**Lillie:** And it looks even brighter than before!"
**Pikachu, Teddiursa and Manaphy greeted Sparkle while Max approaches Sparkle, gently petting her glowing wool. Sparkle cooed happily, leaning into the affection**

**Dawn:** She's beautiful... I've seen an Ampharos glow like that.

**Lillie:** It's mesmerizing.
**Jasmine stepped beside Sparkle, placing a hand on her back**

**Jasmine:** Sparkle lights the entire lighthouse with her glow. She's the reason ships can navigate at night.

**Sarah:** That's amazing. She's like a living beacon!

**Ash:** **Smiling** I remember when Sparkle used to be sick back when I traveled here years ago. I helped her recover.
**Sparkle turned to Ash, eyes twinkling, and nuzzled her forehead into his chest**

**Sparkle:** Amphaaa...

**Ash:** **Laughing nostalgic** Yeah... I missed you too.

**May:** Your a one bonified hero, Ash.

**Ash:** Thanks.
**Suddenly, a footsteps approached from behind, it was Jasmine's grandfather, Myron**

**Myron:** I thought I heard Sparkle getting excited.
**The elderly lighthouse keeper walked in, smiling warmly**

**Jasmine:** Everyone, this is my grandfather.

**Myron:** I'm Myron. I'm Sparkle keeper.

**Ash:** Hey Myron. In case you remembered me before.

**Pikachu:** Pika Pika.

**Myron:** **Smiling** Ash. Pikachu. So good to see you again.

**Ash:** It's great seeing you too. I've been traveling a lot since then.
**Myron looked at the rest of the group**

**Myron:** And these must be your new companions.

**Ash:** Yeah, these are my companions from before and these three are new.

**May:** Nice to meet you

**Raye:** It's a pleasure to meet you.

**Max:** Sparkle is amazing!

**Jonah:** This lighthouse is incredible.

**Avery:** “Thank you for having us.”
Ty stepped forward as well.

**Ty:** Hello Myron. I'm Ty Masterum from New Bark Town, and I had a battle against Victor earlier, and I won today.

**Myron:** **Impressed** Ahhh, I’m impressed. You fought with your full strength. That makes you the next pokemon trainer.

**Ty:** **Chuckles** Thanks.

**Teddiursa:** Ursa.

**Ty:** Oh, this is Teddiursa, my pokemon partner. And he’s my best friend.

**Teddiursa:** Teddiursa.

**Myron:** Well hello there, little one! Aren’t you friendly?”
**Teddiursa happily raised its paws as Myron petted its head**

**Max:** **Still petting Sparkle** So Sparkle shines the lighthouse?

**Jasmine:** Yes. Sparkle’s job is to shine the lighthouse with its glow. It’s what guides ships safely across the sea.
**Sparkle stepped forward, tail glowing brilliantly until the room filled with warm golden light**

**Dawn:** It’s beautiful.

**Avery:** It’s like sunlight.
**Ty watched with nostalgic eyes, as Sparkle nuzzled him. Jasmine turned back to Ty with a calm but determined expression**

**Ty:** You look very cute.

**Sparkle:** Amphaaa.

**Jasmine:** Ty… rest well tonight. Because tomorrow, we have our Gym battle. I want to see your full strength.

**Ty:** **Excited** Really?

**Jasmine:** Yes, I'll be waiting for you for an official gym battle against you. Come and see me when you're ready.

**Ty:** I’ll be ready. I promise.

**Teddiursa:**
**Ty was ready to face Jasmine tomorrow for a gym battle after he successfully defeated Victor in a rematch. The sky deepened into a calm, star-sprinkled navy blue as the gang made their way back toward the Pokémon Center. The cool ocean breeze drifted gently through the streets of Olivine City. Suddenly, a warm golden light illuminated the rooftops**

**Dawn:** Look… the lighthouse!

**Raye:** Sparkle’s amazing. It’s lighting up the whole harbor!

**Max:** Whoa.

**May:** It’s beautiful… like a giant star.

**Jonah:** I’ve never seen a lighthouse shine that brightly before.

**Sarah** It’s so magical.

**Lillie:** You can really feel how important Sparkle is to Olivine City.

**Sakura:** It looks peaceful right now.

**Avery:** The ocean looks amazing with that glow. Imagine seeing that from a ship. It must be incredible.

**Raye:** Sparkle’s pretty impressive… Jasmine’s team really is on another level.

**Ash:** Yeah. Sparkle always had a strong heart. I’m glad to see her shining again.
**The gang smiled, enjoying the calming moment—but Ty’s attention was somewhere else. He stared ahead at the distant silhouette of the Olivine Gym, its steel roof dark against the twilight sky. His eyes gleamed with fierce determination while Teddiursa was on top of his shoulder**

**Ty:** Tomorrow… I’m giving it everything I’ve got.

**Teddiursa:** Ursa!

**Ty:** You too, buddy. We’re stronger than ever now. And tomorrow—we prove it.
**The group paused beside him, smiling proudly**

**Ash:** You’ll do great, Ty.

**May:** We’ll be cheering for you.

**Max:** You’re totally gonna win your badge.

**Ty:** Thanks, everyone. I won’t let you down.
**They continued walking together under Sparkle’s golden light, the lighthouse glowing like a guardian star behind them**

**Narrator:** After defeating his rival Victor, Ty stands stronger and more confident than ever, ready to face his next gym leader on his ultimate challenge.

**(Pokemon Master Revolution Theme Song Plays. Outro:)**
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all

Gotta catch em all
